

FOR IMMEDIATE RELEASE

Plano, Texas October 7, 2024

**Luminator Technology Group (formerly Mobitec) Celebrates 25 years in Brazil.**

Luminator Technology Group (Mobitec Brazil) is proud to announce that it is celebrating 25 years in business in Caxias do Sul, Brazil. This milestone represents years of experience in transit in Brazil and Latin American markets and the dedication of the team of professionals who have contributed to this achievement.

In celebration of this milestone, Luminator (Mobitec Brazil) held a formal meeting to reflect on the past with their employees and then held an evening celebration at their offices. Luminator (Mobitec Brazil) extends gratitude to all the employees, customers and vendor partners that have been a part of this successful journey. We look forward to the next 25 years in which we will continue to provide mobility solutions that further connect passengers to their destinations and provide enhanced passenger experiences.

*About Luminator Technology Group Global, LLC*

*Luminator Technology Group delivers globally recognized technology solutions that increase intelligence, safety, and efficiency for public transit operations. Luminator Technology Group (Luminator) was established and is purposefully architected to make a lasting impact on the transit technology market. Combining strategic research and development with smart acquisitions, we are merging a broad range of expertise and new technology along with best-in-class products from successful, well-known regional companies into one cohesive, global organization.*
