

We've been on the job since 1928,

AND COMMITTED AS EVER TO YOUR SATISFACTION.

Our history of invention at Luminator has contributed to the mass transit industry that keeps the world moving. Our worldwide team is dedicated to **delivering unwavering quality** to every customer, in every circumstance, at every single touchpoint — from innovation to manufacturing, service, support, communication, and more.

In today's world of technology, change occurs at lightning speed. You can rest assured that at Luminator our top priority is making every adjustment a change for the better — **for you** — to provide the shortest distance between information and the passenger.

Sincerely,
Luminator Technology Group.

**INTELLIGENCE,
SAFETY AND
EFFICIENCY IN
TRANSIT**
